

LEATHERHEAD LAWN TENNIS CLUB 2008 Club Tournament Entry Form

This year, Andy and Steve will be using their incredible people matching skills in conjunction with the self grading that you provided last year. This will mean that higher graded players (C2) join the competition later and in the earlier rounds of the competition, B2/-/+ for example will be matched against people within their grade pool wherever possible, same for A's, B1's, C1's and so on. We hope this will create more even competition for all. For doubles we will take the grade from the higher graded partner.

The more entries, the better this works, so come on! Why not give it a go this year? Could be interesting.
